

NOTICE TO STREM CUSTOMERS

The following notice sets forth your rights to use 45-2101 Rh₂(S-DOSP)₄, and 45-2100 Rh₂(R-DOSP)₄ for research and development without the requirement of obtaining any additional license from THE RESEARCH FOUNDATION OF STATE UNIVERSITY OF NEW YORK, for and on behalf of University at Buffalo. Any other use may require an additional license.

Strem has entered into an agreement with THE RESEARCH FOUNDATION OF STATE UNIVERSITY OF NEW YORK to sell 45-2101 Rh₂(S-DOSP)₄, and 45-2100 Rh₂(R-DOSP)₄. Customers purchasing this material may use it for research and development purposes without the requirement of obtaining a license from THE RESEARCH FOUNDATION OF STATE UNIVERSITY OF NEW YORK, for and on behalf of University at Buffalo, provided that such use is non-commercial and occurs prior to filing of an application for regulatory approval for any product developed using this material. This provision applies only to patents and to claims of patents in Exhibit A that are directed specifically to methods of use of the materials. This provision does not apply, and no representations are made with respect to any compositions or products derived from use of the methods claimed in the patents listed in Exhibit A hereto.

EXHIBIT A: FOUNDATION PATENT RIGHTS

ISSUED PATENTS and ACTIVE PATENT APPLICATIONS
