

Catalog # 30-4050 Oxo[hexa(trifluoroacetato)]tetrazinc trifluoroacetic acid adduct ZnTAC24™

Note: Manufactured under license of Takasago patent.

Technical Notes:

1. Zinc-catalyzed transesterification of various methyl esters under mild conditions
2. Zinc-catalyzed acylation of alcohols in the presence of amines
3. Zinc-catalyzed cycloizomerization. Synthesis of substituted furanes and furoypyrimidine nucleosides
